

## THE KELOWNA COURIER

Established 1904

A newspaper devoted to the interests of the Kelowna District of the Okanagan Valley in British Columbia, published every Thursday morning by The Kelowna Courier Ltd. The Kelowna Courier is a member of the Canadian Weekly Newspaper Association and of the British Columbia Weekly Newspaper Association.

Subscription Rate: \$2.00 in Canada; \$3.00 in other countries; single copies, five cents.

MEMBER OF "CLASS A" WEEKLIES

Winner, 1939

Charles Clark Cup

Emblematic of the best all round class B weekly in Canada.

Winner, 1939

MacBeth Memorial Shield

Emblematic of the best editorial page in its class in Canada.

Winner, 1938

M. A. James Memorial Shield

Emblematic of the best front page in its class in Canada.

G. C. Rose, President

R. A. Fraser, Secretary

R. P. MacLean,  
Editor and Manager

The Kelowna Courier has by far the greatest circulation of any newspaper circulating in the Central Okanagan Valley.

THURSDAY, MAY 16, 1940

## Pirate Days

Retiring President B. W. Johnston of the Aquatic Club reached over from Copper Mountain last week and gave the current directors of that organization something to think about when he suggested in his report that "Pirate Days" or some such similar feature should be run in connection with the annual regatta of the club. We believe Mr. Johnston has something there.

Mr. Johnston has been active on the inside and knows what makes the wheels go round, and now he is able to take a detached point of view and, being on the outside, may safely venture a suggestion or two without being accused of treason.

Mr. Johnston stated in his report that something new is required to give a much needed fillip to the regatta. "The Kelowna regatta is taken for granted by the general public of Kelowna," Mr. Johnston stated. "There is too much complacency and not enough action. The regatta is an institution, as much a part of Kelowna as the lake itself, and both are taken for granted."

To re-awaken public interest, Mr. Johnston suggested that "Pirate Days" be undertaken as a big mid-summer feature operated in conjunction with the regatta.

The more one considers the suggestion the better it seems. It has unlimited publicity possibilities and the theme might be interwoven into every activity in connection with the regatta and every other event in the life of the entire city. One can imagine pieces of eight displacing the regular currency; bands of pirates driving slaves through the streets; a beautiful captive maiden being maltreated by villainous bearded ruffians while her gallant lover is forced to walk the plank. Imagination must run riot to envisage the full possibilities of the suggestion. And what a lot of villainous-looking pirates and beautiful pirate girls could be found in this city!

Yes, we think Mr. Johnston definitely has something there. His remarks about "complacency" and "being taken for granted" are too obvious to need enlargement. The Aquatic directors are keenly aware of the situation and we imagine that Mr. Johnston's suggestion will be carefully considered. It may be just what the regatta needs.

## Roosevelt Speaks

One of the most interesting events of the momentous week just passed was the address made by President Roosevelt of the United States and which was broadcast to all the countries of this hemisphere.

The American president spoke just about as plainly as it is possible to speak by inference. In effect, he told the peoples of this hemisphere that, if they did not wish to come under the domination of the Nazis, they must be prepared to assist the Allies with every weapon they possess.

We imagine that Mr. Roosevelt's intention was to tell his own people that the time had arrived when they must take a hand in the war. He told them that there was no longer any point in deluding themselves that, should Germany win this war, Hitler would not attempt to dominate the whole world. He suggested by inference that it is now time for them to stop playing the ostrich and to realize that they were closer to the European war than Hannibal was to Rome; Caesar to Britain, or Napoleon to Moscow.

There is no possibility of misinterpreting the President's meaning. As the elected head of a great nation he made his position very clear; but what is he going to do about it? It is encouraging to learn that the American people are beginning to realize that the Allies are fighting their battles as well as their own. But do they realize it sufficiently as yet to take some direct action?

In Canada we have appreciated that from the first the large percentage of the American people have given their sympathy and support to the Allied cause which they know to be just and right. However, in a country as large as the United States and with such a polygot population, large sections are bound to sympathize with the enemy or be opposed to leaning either way. This has been reflected since the outbreak of the war in the comments of the radio newscaster and newspaper columnists. Many of these persons' written and spoken words have jarred our sensibilities.

During the past week a curious change has come over the remarks of these commentators and writers. Those who were definitely neutral have become pro-ally while those who were pro-German have adopted a detached attitude. During those hectic hours of Thursday night when the

first reports of the German invasion of the Low Countries were coming in, American radio commentators seemed nonplussed; in fact, most of them seemed afraid. At last they had realized that their country could not indolently stay out of the war.

The changed opinion during the past week of the people of the United States indicates that public opinion is crystallizing there and that sooner or later, our southern neighbors will decide that they might better fight their war in Europe than on their own coasts. It is too much to expect that the United States will enter the war in one month, or three, but the writing is on the wall for all to read.

## Studying The Manual

In view of the announcement that the Motor Vehicles Branch of the Provincial Police will commence car drivers' tests in this district early in July, it would be well for drivers of automobiles to brush up on their general knowledge of the rules of the road and the operation of motor vehicles, if they desire to pass the examinations successfully.

The provincial government has published a handy little booklet, the Motor Vehicles Driver's Manual, which gives much useful information on the subject of car operation and the questions upon which the examination is based. All those taking the test will submit to a written examination containing twenty-five of the questions. Experience has shown that many applicants have flunked badly in this test.

With this in mind, automobile owners would be well advised to secure a copy of the Manual, obtainable at the government office, and familiarize themselves with the contents.

Regardless of whether or not the test is taken, the information contained in the booklet should be general knowledge, and observance of the ordinary rules of safe driving would do much to cut down the number of traffic accidents.

Many of the questions appear trivial and unimportant—indeed, some of them appear to be downright silly—but it is surprising how little the average driver knows about safety rules and regulations when it comes down to a written test, and we suppose there is a definite purpose behind even the silliest of the questions.

Carelessness and high speed are the cause of about ninety-five per cent of car accidents today, and the majority of these mishaps seem to occur on the straight, well-paved highway. Carelessness and the mania for high speed exact a terrific toll in human life each year.

It is recognized that there are many defective cars travelling the highways, but there are also many excellent machines in the hands of incompetent drivers. Adequate tests of both, and a timely weeding out, will tend to make motor travel considerably safer than it has been in the past. And of the two, the elimination of the incompetent driver is probably the more desirable.

## That Discount

Our American friends are beginning to realize that their Canadian business means quite a little to them and as a result, a campaign is under way to persuade all merchants to take Canadian money at a fair rate of exchange.

During the past two weeks a large number of papers in Washington have carried editorials advising American businesses to accept Canadian money at a fair rate of exchange, and presumably it is suggested that the rate of exchange set on American funds in Canada be accepted as the standard in American stores when Canadian money is offered.

During the Wenatchee Apple Blossom Festival, this paper carried an advertisement stating that certain stores in that city would take Canadian money at par.

The whole move is encouraging to Canadians as it shows an awakening of conscience in our American friends. We in Canada are quite prepared and willing to give a reasonable margin of exchange, but to be milked by excessive and arbitrary amounts is a little irksome.

## Fishermen, Remember

With the lakes open and the season in full swing, if you are a fisherman, there are several points to remember.

Remember, first and foremost, that you fish for sport and for sport only. If you insist that you fish for food, you are prostituting your reason and declaring yourself economically unwise to justify the destruction of a few fish. The price of your rod and reel and the expense of your trip would buy a whole quarter of prime beef!

Remember you are ethically, legally and in many instances biologically justified in retaining a carefully considered portion of your catch for food purposes, but by no dictate of man or nature are you entitled to waste one ounce of fish flesh or to wantonly destroy the life of a single fish.

Remember, your friends did not purchase your fishing licence and are not contributing money or effort to fish restoration. You are stealing from others when you kill fish for their tables.

Remember, the limit and length minimum laws were not made for sportsmen. A true sportsman may not even know the catch limit as he is guided by his "conscience" limit alone, which perforce of the liberality of the fishing laws is invariably less than the legal limit.

Remember, the true sportsman carries a tape measure, for but one purpose—to determine the legality of possessing a mortally wounded fish so as to prevent its waste.

r.p.m.'s  
column

IT IS WELL KNOWN that some police forces have a practice of using what are termed "tongue-twisters" as a means of testing the sobriety of men who are suspected of being "under the influence." It has always seemed an unfair practice to me, perhaps as I consistently have trouble with tongue-twisters and if I were asked to say one in a police court, I am quite sure that I would stumble and stutter just as you and any other ordinary individual would. A list of tongue-twisters which is said to be used by these police forces include such bits as: "I sniff shop, snuff, you sniff shop snuff," "A bloke's back brake block broke," "A school coal scuttle, a scuttle of school coal," "The short sort shoot straight through," "I chased a big black pug pup up Upper Parliament Street," "Chop shops stock chops," "Are you copper-bottoming 'em? No I'm aluming 'em, Mum," "Pure food for four poor mules," "Wasps whisked briskly from Willie's waspy swatter," "Kris Kringle crushed crispy chocolate cracker crumbs," "Old oily Ollie oils old oily autos," "Frank threw Fred three free throws," "Six Scotchmen picked up six thistle sticks," "Soldiers' shoulders shudder when shrill shells shriek," . . . Any man who can say the first three of those without a tongue slip may safely be set down as painfully sober. If he can rhyme off half a dozen he is too elevated to drive a car and if he can go through all without twisting his tongue out of his mouth, he should be locked up on general principles . . .

I DO NOT KNOW JUST how many dairymen of this district have already seen the picture "Gone With the Wind" but of those who have we wonder just how observant they were of their favorite subject. Did they notice the cow which appears prominently in the picture? If the scene where the cow appeared is recalled, the keen observer will remember that the animal was of too modern a vintage to have been in existence at the time of Sherman's capture of Atlanta. Horses have not changed so greatly, so the horses shown in the movie are true to the period represented. And apparently every other item has been carefully supervised in this regard to eliminate all anachronisms. But the cow blundered in. Apparently the movie people did not realize the tremendous strides that have been made in cattle breeding on this continent during the past seventy-five years and so the sleek bossy shown is almost as out of place in the Civil War scenes as telephone wires would be in a picture of ancient Rome. When G. W. T. W. is shown at the Empress Theatre early in June, the dairymen of the district can be forewarned to take notice of the bossy.

QUISLING, THE NAME of the Norwegian major who helped betray his country, has been welcomed as an addition to the English language. In time it may assume some such significance as Benedict Arnold, and although later researches have shown that Arnold was not the fiend out of hell which he was held to be by the early histories of the United States, I imagine it is yet an insult to call an American a Benedict Arnold. Another word that is rapidly becoming a verb is "hitler." It is being given the meaning "double-cross" or "to act against with malice aforethought." It is a good meaning for that erstwhile proper noun . . . One might make a long list of proper names which in the course of time have ceased to be spelled with capitals and have been accepted as expressing in two or three syllables what otherwise might require a sentence to make clear. We call to mind boycott which originally was the name of an unpopular Irish landlord. Gerry-mander was the combination of the name of Gerry and salamander. It was coined after somebody looking at the strange shape of an electoral district, drawn so it would be a safe seat for a political party, remarked that it looked like a salamander. "Gerry-mander, you mean," said somebody else, knowing that Mr. Gerry was the author of the design. . . . Then we have mackintosh and macadam which preserve the names of geniuses, one a coatmaker, the other a roadmaker, who did their jobs well enough to win them immortality. The hat now called a bowler was until recently never referred to except as a Christy. Bedlam is a corruption of Bethlehem, an English mad house in the olden days. Laymen, even, are familiar with the diseases named for Addison and Hodgkin . . . The Old Testament has been a great source of providing names that have stood to represent whole classes like a Daniel, a Joseph, a Jeremiah and a Job. The New Testament has given us Judas Iscariot and Lazarus and Ananias. That story put an end to the practice of naming children Ananias, nor have there been any more Judas Iscariots, the Christian consensus of opinion being that one was enough. But in our own time ridicule and even odium have been heaped upon respected names through the genius of Charles Dickens. I remember when I was a boy I was horrified to discover that a man was named Sikes, although, in a pitiful attempt to escape, he may have spelled it Sykes. I had already made the acquaintance of Bill Sikes and anybody bearing that name was anathema to me . . . Everybody knows what is meant by a Sherlock, or a Holmes, or a Raffles, and not so long ago Sinclair Lewis created a type in Babbitt. I have the idea that people would just as soon be called something else than Babbitt. Perhaps the most striking illustration of infamy attaching to a name in modern times—other than Hitler—followed the collapse of Oscar Wilde after a career in letters which made him famous. There is considerable doubt if any male child was christened Oscar for a generation after his downfall, unless for urgent family reasons. Now, by some strange fate, the name has been revived to indicate outstanding success in the movies, the best actors, actresses, directors and authors of the year being awarded a little statue called, for no reason which I have ever heard, "Oscar" . . . Another proper name which has special significance in the theatre is Annie Oakley, which means a pass, and commemorates the skill of a former circus performer with the rifle . . . If one speaks of "doing a Brodie," it is understood that the feat of Steve Brodie in diving off Brooklyn Bridge was "taking a chance." More recently along a somewhat similar line with a tinge of going in the wrong direction, we have had "do a Corrigan," a reference to the flight to Ireland by an American aviator who pretended he was starting for California . . . The list might be lengthened indefinitely. Many names originally were given because of the trade or occupation of the person named, thus we have the Smiths, the Weavers, etc. This is a little different than the present tendency. Now one man has something remarkable to his credit and his name is used to describe all others who might be listed in the same category. The tendency is a useful one and helps to expand our language and at the same time makes it more picturesque by submitting a single word for what formerly required a sentence to describe . . .

FRIDAY, MAY 10th, Hitler has invaded the Low Countries and Churchill has succeeded Chamberlain as Prime Minister. Big events are moving fast and it is quite possible that before this has appeared in print the future course of civilization may have been decided. With that in mind, local problems seem too trivial to write about.

## Thirty Years Ago

Thursday, May 12, 1910

The news overshadowing in importance anything else in this issue is that of the death of King Edward VII, which took place on Friday, May 6. The subject occupies three columns of space, from which the following extract is made as to reception of the tidings in Kelowna: "Like a thunderbolt from the blue came a dispatch to Kelowna on Friday afternoon, stating that King Edward VII had died that morning. Although no intimation had been given in the papers received from the Coast the previous day that the King's health was in a precarious condition, there was no reason to doubt the authenticity of the message, and the flag was promptly half-masted on the Bank of Montreal, conveying to all who saw it that some great personage had passed away, and the news spread rapidly through the town and surrounding district. The example set was followed by every place in town that could boast a flagstaff and flag,

and signs of mourning became general. No particulars as to the cause of death were contained in the telegram, and it was rumored that the sad event had occurred in Paris. Not until arrival of the Coast papers on Monday were any details available, and it was then ascertained that the King had died at Buckingham Palace at 11:45 p.m., not a.m., as erroneously stated in the dispatch received here, London time being nearly eight hours ahead of local time."

"The new cannery which is being erected at the C.P.R. tracks by Geo. E. Ritchie for the Kelowna Canning Co., Ltd., is practically completed, and, with W. Haug's large builders' supplies warehouse also under roof, that part of town presents a most encouraging aspect of commercial and manufacturing activity, backed by the imposing warehouse of the Farmers' Exchange."

### Should Prove Something

As evidence that an owl can see pretty well by daylight, the U.S. National Park Service cites the instance of a horned owl at nine in the morning spotting a ground squirrel 100 yards away.

Tea was first cultivated in China and for hundreds of years was prescribed as a medicine, one so well liked by patients that taking it gradually developed into the habit of tea-drinking that has spread throughout all the wide world.

## Peachland Council Will Tax Twenty-five Per Cent of Improvements This Year

Tax Rate Set at 27 Mills Instead of 32½ Last Year on Land Only—Reeve Gummow Advocates Continuance of 1939 Policy but Rest of the Council Agrees on New Tax Setup—Advocate Extension of Electric Light Hours

**TWENTY-FIVE** per cent of improvements will be taxed in Peachland for the present year, it was decided at a meeting of the Peachland Council held on Wednesday evening, May 8, after some discussion upon the subject. To meet the same amount for general purposes as was raised last year with 32½ mills on land only, the new rate will be 27 mills. Last year the total land value was \$162,905. Reeve B. F. Gummow was in favor of continuing to tax land alone, but the other members of the council were unanimously in favor of the change to tax some improvements. The fire protection tax has been previously four mills on 50 per cent of the improvements and this was altered to eight mills on 25 per cent of the improvements to conform with the general tax.

The electric light schedule was it lacks should be added. Perennials discussed at some length, Councillor E. E. Eddy stating that the lights should be turned on earlier in the evening and Councillor A. J. Childley that Sunday afternoon service should be given because of the radio programs. Councillor F. Kinchin stated that the schedule was as heavy now as it should be and that he was hoping for a surplus of \$600 or \$700 on the electric light department this year. He did not consider the Saturday morning service paid and Councillor J. H. Wilson agreed. Councillor Eddy felt that the lights should come on earlier and go off earlier at night. It was decided to try out the Sunday afternoon service and have the lights on earlier in the evening and continue the Saturday morning service as well.

A resolution from the Princeton Board of Trade asking for the completion of the Hope-Princeton Road was endorsed.

Work on the sidewalks would be done this month according to Councillor J. H. Wilson. A letter was read from the School Board asking for the removal of stumps on the school grounds and it was decided to fire these and fill in the holes. C. Whinton's offer of \$15 for buildings on the Vicary place was refused. The concession for the grounds at the park for May 24th was granted to the Community Club. A letter was received from the Canadian Legion asking for the cemetery to be cleaned up and Councillor Eddy stated that this had all been done some time ago.

The baseball club received a grant of \$25 for the year and a letter of thanks was read from the Women's Institute for the grant toward the Memorial upkeep.

### H. H. Evans Speaker

H. H. Evans, Horticulturist from Vernon, was guest speaker at the meeting of the Women's Institute held on Friday afternoon, May 10, in the Municipal Hall, and he spoke on the Home Garden.

Gardens should stay with familiar varieties, he said, while the soil should be studied and whatever

### Red Cross Active

The Peachland branch of the Red Cross has been active during the months since war broke out and another letter of congratulation on the special appeal was made for contributions of new garments, either knitted or sewn, to be given to refugee children by the Red Cross. Further arrangements were made in connection with the annual flower show, to be held Aug. 15th. The guest speaker was W. M. Talbot, of Glenmore, who very kindly agreed to address the Institute on the subject of the credit Union and proved interesting and informative. A hearty vote of thanks was extended to the speaker by the meeting. Tea was then served by Mrs. A. C. Loosmore, Mrs. W. R. Craig, and Mrs. E. Bourquin.

## Rutland Growers State Fruit Prices Set Too Low Last Year

Annual Meeting Called by B.C. Fruit Board Favors Price-Fixing Committee—A. W. Gray Replaces A. K. Loyd as Delegate

The members of the B.C. Fruit Board were out in force at the meeting in the Community Hall on Monday, May 13, for the purpose of electing a delegate to the nominating convention. The growers, however, did not attend in large numbers and less than a dozen were present to hear the members of the board give an accounting of their stewardship. Usually, the Rutland meeting is well attended, but this year the attendance was the lowest at any such meeting. A. E. Harrison was chosen as chairman and R. Wightman, secretary, of the meeting.

The board members gave informative addresses by Geo. A. Barrat and W. E. Haskins, and numerous questions were answered by all three board members. The first speaker dealt largely with the financial statement, while the board chairman spoke on the work of the board from the general discussion that followed. It was evident that the growers present all were of the opinion that last year's fruit prices were set on too low a level, and sentiment favored the appointment of a price-fixing committee. Election of a delegate resulted in the choice of A. W. Gray to replace A. K. Loyd, who has been Rutland's delegate for years past, but felt unable to continue in that position in view of the fact that he was holding the office of chairman of Trout Fruits Ltd. Mr. Gray was not present at the meeting, but a letter from him was read by the secretary in which his reasons for withdrawing were given.

### Organize Rally Day

The Rutland Women's Institute held its regular meeting for the month of May in the community hall on Wednesday afternoon, May 8th. There was a fair attendance of members, and the president, Mrs. J. Ansell, was in the chair. After routine business had been dealt with the annual Rally Day was proposed to be held on June 10th. It was decided to send two delegates to a meeting called to organize the affair. Mrs. Ansell and Mrs. E. Bourquin were chosen to represent the W.I. A report on the Rutland Red Cross unit was given, and it was shown sewing and knitting had been actively engaged in by Rutland ladies. A special appeal was made for contributions of new garments, either knitted or sewn, to be given to refugee children by the Red Cross.

Further arrangements were made in connection with the annual flower show, to be held Aug. 15th. The guest speaker was W. M. Talbot, of Glenmore, who very kindly agreed to address the Institute on the subject of the credit Union and proved interesting and informative. A hearty vote of thanks was extended to the speaker by the meeting. Tea was then served by Mrs. A. C. Loosmore, Mrs. W. R. Craig, and Mrs. E. Bourquin.

### Vaccination Clinic

On Monday afternoon last a vaccination clinic was held in the community hall by Dr. J. M. Hershey, assisted by Mrs. Groulx, school nurse. This was the last of a series of clinics held in the district for the immunization of children of pre-school age against diphtheria. Seventy-four children were immunized at these clinics. Members of the W.I. assisted with the registering.

The Guild of St. Aidan's Anglican Church held a successful rumble sale in the community hall on Tuesday, May 7th, and the sum of \$40.00 was raised. Mrs. H. Hobbs and Mrs. J. Jervens won the bedding plants for which a raffle had been held.

Members of the Young Players' Club presented their play, "The Red-Headed Step-Child," to an appreciative audience at the United Church auditorium in Kelowna, on Friday evening, May 10th.

Corp. James Ansell left on Monday for Vernon to join his unit, the B.C. Dragoons, in camp at Vernon.

The St. John's Home Nursing Course completed the last of its classes on Wednesday evening, May 8. After a review of the lectures, the class adjourned to the home of Mrs. R. B. McLeod, where a presentation was made to Mrs. Percy Geen, the instructress. The presentation was made by the hostess and consisted of a handsome chair. Tasty refreshments were served at the conclusion of the social evening.

Eldred Howes is acting as water bailiff for the M.I.D. at Elton ditch in the absence of J. Ansell.

### Plans Career

Miss Irene Bush, of Rutland, obtained her B.A. degree at the University of B.C. with second class honors. Miss Bush is planning to continue her studies with the view of taking up medicine and becoming a doctor. She is a daughter of Earl S. Bush, of this district, and a former pupil of the Rutland school.

Special "Mothers Day" services were held at the United Church Sunday School in the morning of Sunday last, and at the church service in the evening. Special music was rendered by the girls choir.

### Dr. James Marshall

More than thirty growers attended the meeting of the B.C.F.G.A. Rutland Local, on Thursday evening, May 8th, in the Library room of the community hall. The speaker for the evening was Dr. J. Marshall, of the Dominion Entomological Survey, who spoke on the subject of codling moth control. This problem was thought by the experts to have been solved away back in 1910, but they were badly mistaken. Codling moth appears to run in 10 to 15 year cycles of heaviest infestation menace. A one time single spray was sufficient to give control, but now some districts in Washington put on no less than ten sprays in a season. The control of the moth will never

## COLLISON WINS HOWELL TROPHY AT GOLF COURSE

Charley Collison is the proud possessor of the Howell Cup, emblematic of the golf championship of the Kelowna Golf Club for those who have handicaps of 20 or over.

Three golfers tied for second place honors, all having net 73s. They were Bill Embrey, Jack Davoren and George Wilson.

In the open club championship, Chester Owen and Harry Todd are to play for this title, the former having defeated S. McGladdery one up, and the latter taking Harold Johnston into camp five and three in the semi-finals.

Next Sunday, the Kelowna Golf Club will be represented at Salmon Arm in the Spalding Cup play. Four couples are expected to compete there for this coveted trophy.

be as difficult in northern latitudes, however, due to the many cool nights reducing the number of generations in a season.

The work of the Department of Agriculture in the field of research was outlined by the speaker, and the co-operation between the provincial and federal authorities illustrated, the latter doing the research work while the former conducts the actual experiments. The growers were particularly urged to keep themselves informed as to proper spraying dates and methods. The great expense and damaging effects of the washers in use in the U.S. were stressed by the speaker, and he urged growers to take every precaution to combat the spread of the pest, if only to avoid the necessity of introducing these mechanical monstrosities.

A number of questions were asked and answered, and the growers passed a hearty vote of thanks to the speaker for his valuable address given in his usual conversational style, interspersed with dry humor.

### Hold Fine Concert

The Kelowna United Church choir gave a pleasing concert in the Rutland United Church on Monday evening, May 13th, which was called "Ye Olde Fashioned Concert." An appreciative audience was treated to a program of old time favorites which dated from the year 1890 and earlier. The only modern song was "Over the Rainbow," sung by Miss Blackwood. Mrs. Cowie acted as accompanist to all the singers during the evening's concert. Rev. A. C. Pound thanked the Kelowna singers for their kindness in bringing the concert to Rutland, and Mr. McFarlane responded briefly, expressing their enjoyment of the affair themselves. Refreshments were then served to the visitors.

## HERE'S REAL NOURISHMENT TO MEET WARTIME DEMANDS ON YOUR VITALITY

Among grains, wheat stands high in nourishment value. Shredded Wheat is 100% whole wheat in its most delicious, most digestible form. This famous cereal with milk and fruit, contains these eight essential food elements: Three Vitamins (A, B, and C), Proteins, Iron, Calcium, Phosphorus and Carbohydrates. Here's vital nourishment to meet wartime demands on your vitality, in one simple breakfast that's mighty good to taste. Order two or three packages of Shredded Wheat from your grocer—it's equally nutritious for lunch or as a bedtime snack.

## BENVOULIN

A meeting of the Official Board was held in the Rutland United Church on Tuesday, May 7. W. Hamill was chosen as a delegate to represent the pastoral charge at the provincial conference, which meets in St. John's Church, Vancouver, on Wednesday, May 15. Mr. Hamill leaves for the Coast on Tuesday.

The pupils of the Mission Creek School excelled themselves at the School Track Meet held in the Kelowna Park on Friday, May 10. They retained the cup for the third successive year. Margaret Lanfranco won the cup for the 75 yard dash, girls sixteen years and under, and also won the girls' aggregate cup for the largest number of points.

Mother's Day was fittingly observed in the Benvoulin United Church. The church was tastefully decorated with flowers for the occasion, and a special program was followed. Mrs. W. Reid contributed an enjoyable solo.

The regular monthly meeting of the W. A. was held at the home of Mrs. W. Reid on Tuesday, May 7. Mrs. Hardy led the devotional, taking the fifth chapter of the study of the Way of the Kingdom. At the conclusion of the meeting refreshments were served by the hosts.

Steps towards the prevention of sleeping sickness have again been taken in this district. Inoculations were held at the B. Melver and W. Metcalfe farms on Tuesday, May 7, where about forty horses received the serum for the disease. They will again be inoculated on Tuesday, May 14.

A meeting of the Youth Training Group was held on Monday, May 13, in the Technocracy rooms. A debate was held: "Resolved that a country person is superior to a city person." Miss Clara Johnson read an interesting story on the early life of the Okanagan Valley. It was decided that the meetings would be discontinued indefinitely. An invitation was sent to the members of this Youth Training Group to attend a banquet which is being held in Vernon on Tuesday. The meeting ended with the serving of refreshments.

Mr. and Mrs. C. O. Goldsmith, of Vernon, were visitors to this district on Sunday.

Jack Davy and Bill McEwen left for Vernon on Monday to attend the militia training camp.

Mr. and Mrs. M. Callum and family, formerly of Armstrong, are now residing in the house owned by E. Bianco.

## 5 LOCAL GOLFERS

From Page 1, Column 7  
The coveted Royal Anne cup, the Kelowna ladies golfers entered the ladies' competition on Sunday and they represented three of the four qualifiers.

The championship flight was won by Mrs. Ann McMoynt, of Kelowna, who met Mrs. A. C. Lander in the final round. Mrs. A. Underhill was the other Kelowna lady qualifier and she captured the championship consolation from Mrs. H. A. Nolan, Vernon.

An ex-Kelowna golfer, Tommy Forbes, of Penticton, captured the first flight on Sunday, with T. A. Duthie, of Portland, well-known man in fruit circles here, as runner-up.

## LIQUOR CHARGES IN COURT

Dan Alexander, Westbank Reserve Indian, was fined \$25 and costs or one month in jail on May 13 by Magistrate T. F. McWilliams for being in possession of liquor. On the same day, John McDougall, another Indian, was fined a similar amount for being intoxicated. Neither man has paid his fine.

## 4 GROWER DELEGATES

From Page 1, Column 8

A. G. Desbrisay, Penticton, are two men mentioned prominently as likely successors to Mr. Loyd.

After the election of president and secretary of the B.C. Fruit Growers Association, the delegates will turn to their duties of selecting the Board of Governors of B.C. Tree Fruits Ltd. One governor is selected from the main line, two from North Okanagan locals, two from Central Okanagan, two from South Okanagan and one from Kootenay locals, making a total of eight governors.

To this number is added a member of the B.C. Fruit Board, who is chosen by the newly-elected board each year.

## Delegates Elected

Delegates and directors elected by each local in the tree fruit area are as follows:  
J. H. Kelly, Kamloops; C. R. Newman, Sorrento; D. M. Rattray, Salmon Arm; E. E. Duckstader, Armstrong; A. E. Howe, Coldstream; T. D. Shaw-MacLaren, Osoyoos; W. B. Sanderson, Peachland; H. R. Richards, Summerland; A. G. Desbrisay, Penticton; R. D. Mutch, Kelowna; B. B. Robinson, Creston; C. S. Squires, Nelson; A. C. Lawson, Grand Forks; George Mabee, Oliver; D. E. Burpee, Osoyoos; J. Dobbin, Westbank; D. McKay, Nanaimo; J. H. East, Kamloops; E. K. Squires, Kelowna; Col. W. H. Moodie, East Kelowna; R. W. Ramsay, Okanagan Mission; A. W. Gray, Rutland; W. J. Coe, Winfield.

While these growers are preparing to set up the machinery for 1940 operations of the tree fruit industry, head officials are making their own plans to assist.

**Go To Ottawa**  
A. K. Loyd, Dave McNair, Major M. V. McGuire and E. J. Chambers are the chosen delegates to go to Ottawa and wait on Hon. J. G. Gardiner, Minister of Agriculture, on Monday morning, May 27. This appointment was arranged through Hon. K. C. MacDonald, provincial Minister of Agriculture. They will probably fly east.

With in the east, they expect to meet the Ontario Fruit Growers Association for an exchange of plans for the coming season. It is quite probable that a session of the Advisory Council will be held in Ottawa at the same time, so that representatives of the four fruit growing provinces, B. C., Ontario, Quebec and Nova Scotia, may discuss mutual problems.

No intimation has yet been given out as to the possible plan being evolved to place before Mr. Gardiner so that the Dominion Government may assist the B. C. fruit industry through troubled times caused by the war in Europe.

**Gathering Data**  
However, Mr. Loyd states that a committee, consisting of J. Goldie, chairman, A. T. Howe and A. W. Hamill, has been appointed for the purpose of gathering details concerning the cost of production, the cost of distribution and the packing house costs. This committee has already gathered a tremendous amount of data which will prove quite interesting.

The committee also has under advisement the possibility of some cheaper method of delivering fruit on the prairies.

Another group is also considering the Okanagan Valley railway rate situation, with the idea of making suggestions through the proper channels.

The only shipping house to sign the 1940 contract with B. C. Tree Fruits Ltd. is the Associated Growers, it is understood. However, other shippers are paying careful attention to the contract and more signatures are expected daily. It is the hope of growers' leaders of the industry that all contracts will be completed by the time the delegation meets the Minister of Agriculture in Ottawa.

## Only 38 Cars

On Wednesday, there were only 38 cars of the 1939 crop left to sell. Some 24,350 of apples were sold last week in comparison with 15,848 delivered on the domestic market for the same period the previous year.

Up to the week-end, Tree Fruits had handled the shipment of 5,688 cars of fruit and vegetables. More than 5,700 cars will have been shipped under the authorization of the single selling agency by the end of the season.

Indications point to a heavy peach crop this year but growers state that the cherry crop will not be as heavy as was first anticipated.

**KEN BLACK ONE OVER PAR FOR FIRST NINE HERE**  
A large gallery of interested golf fans followed a foursome around the Kelowna Golf Course last Tuesday afternoon as Ken Black, Vancouver, Canadian amateur champion, showed just how nearly every golfer would dearly like to be able to play the game.

With Black as partner was Sergt. Alex Macdonald, while the opposing team consisted of Chester Owen and Harold Johnston. Black shot a 37 on the first nine holes, one over par, his whistling drives bringing envious gasps from the gallery. The sand greens bothered him, however, and if his putting had been on he would have broken par easily.

## NINE GROWERS AT GLENMORE FRUIT SESSION

Little Interest Evidenced at Annual Meeting to Hear Fruit Board—E. Snowsall is Delegate

The Glenmore annual meeting of the B.C. Fruit Board, was held in the school house on Wednesday, May 8, with W. E. Haskins and P. E. French attending. As chairman and secretary, E. Snowsall and Tom Pearson were elected.

Mr. Haskins spoke of the handling of advertising funds, and the general work of the board, and Mr. French went through the balance sheet.

A resolution to demand the reduction of cost of electric power, was received from the Rutland local and was endorsed.

The chairman then called for nominations for a delegate to the convention, which resulted in the election of E. Snowsall.

Little interest was taken by the growers in this meeting. Only nine growers attended.

Owing to the light fall of snow and rain during the past winter and spring, it is feared that unless heavy rains come there will be a shortage of water, as already water from the storage dam is being used. This is much earlier than usual as usually there is enough flood water to use for irrigation until about the last of June.

Jack Snowsall made a business trip to Nakus on Monday.

John Clark returned home early last week after undergoing treatment for several weeks at Shaughnessy Hospital, Vancouver.

Fruit growers are busy this week applying the calyx spray.

At the Red Cross sewing bee, held at the home of Mrs. Archie Rankin, last week, a large number of twelve pairs of pajamas were completed. These have since been turned in to headquarters.

Mrs. Percy Rankin returned home from the hospital on Thursday last and is doing well.

The young children of Mr. and Mrs. Jack Snowsall and Mr. and Mrs. Archie Loudon were baptized by Dr. W. W. McPherson at the baptismal service at the United Church on Sunday last.

**EAST KELOWNA**  
Last Friday, the East Kelowna Hall board gave a party in the Community Hall for all members of the Association. A large crowd enjoyed the ever popular game of "Bingo" and dancing. Local artists supplied the music.

At the Rural Schools Track Meet, held in Kelowna last Friday, the East Kelowna school finished with 38 points. Although the local school seems to lack excellent athletes this year, they nevertheless make up in quantity what they lose in quality. All the children are keen on sports and display admirable sportsmanship.

The East Kelowna girls softball team was defeated last Wednesday by the United Church team 19-13 and tied at 20-20 on Monday with the Kelowna Catholics. The Softball Club is endeavoring to raise money by selling tickets on a "mystery draw."

Vee Dyson's many friends are glad to hear that she is up and around again, although she still has to use crutches. Vee has had water on the knee since she slipped and fell in the high-jump pit at the Kelowna Junior High School three weeks ago.

Mr. and Mrs. E. B. Powell returned last week from the Coast, where Mr. Powell was a witness in the fruit combine case at the Assizes held recently in Vancouver.

Mr. and Mrs. W. Wilcox and Miss Jean Taylor spent the week-end at Princeton.

Mrs. G. Strang returned home on Sunday, having been the guest of Mrs. F. Pridham, of Kelowna, for a week.

The celebration of Holy Communion at St. Mary's will be at eight o'clock instead of nine-thirty.

## 2 FOURTEENTH ANNUAL

From Page 1, Column 2 in this competition.

**Goes To Vernon**  
Fred Lewis and Guy Greenwood, of the Associated Growers, Vernon, walked off with the Canadian Industries Ltd. challenge trophy for the best 18 holes handicap play for organizations. Tim Dunne and "Tilly" McKean, C.P.R., Vancouver, won second prize, while third place showed a tie between Doug Buckland and W. E. Adams, Kelowna, and E. Herb and McKenzie, Vancouver.

longest single drive, with Bill Hornsey, Vancouver, taking second honors. Lehm Brown, Wenatchee, had the best aggregate of three drives, with Fred Lewis, Vernon, second.

Chris Reid, Penticton, took top honors in the approaching and putting competition, with Derry Oliver, Kelowna, second.

**Ladies Play**  
There were competitions for the ladies, too, with Mrs. Chris Reid, Penticton, winning the 9 holes handicap. Miss Doris Leathley was runner-up, and Miss Jean Rowcliffe took third prize.

Mrs. D. E. Oliver, Kelowna, had the low score in the hidden holes competition, Mrs. Les Roadhouse being next in line. High score was registered by Mrs. McNair.

Prizes were awarded at the annual tournament dance, held in the lounge room of the Royal Anne hotel. A large crowd was in attendance and spent an enjoyable few hours at this party.

## Boxla Starts Here Next Tuesday Night Under Floodlights

History to be Made When First Night Game of Box Lacrosse to be Played Here—Kamloops, 1939 Champions, Open Season in Kelowna—Bleachers to Seat 600—Expect Game to Catch on Like Wildfire—Six Teams in the Interior Intermediate Boxla League—New Players Bolster Peppy Team

SPORTS history is to be made in Kelowna on Tuesday, May 21, when the first game of box lacrosse in the city's history will be played under the new floodlights in the athletic grounds of the Kelowna City Park. Kamloops, champions of the 1939 interior lacrosse league, are scheduled to play against the Kelowna team in this epochal game. The box lacrosse group, under the able guidance of Ald. R. F. Parkinson, President, is making a determined effort this year to put the game over the top as it has never been done before. It expects that as soon as the sports fans of this city obtain a knowledge of the game it will catch on like wildfire.

"Kelowna used to be one of the best lacrosse towns in the interior in days gone by," declared Mr. Parkinson in an interview with The Courier this week. "We used to send hundreds of spectators to games played against Vernon and Armstrong and excitement used to reach a fever pitch."

"This new game of boxla is a big improvement over the old game, which was Canada's national pastime," Mr. Parkinson resolves. "This new game has the speed of basketball and hockey and also has enough of hockey's roughness to be an ideal crowd-pleaser. I fully expect that crowds of more than 600 will witness our league games before the season is concluded."

### Big Expenditure

The box lacrosse club has taken the bull by the proverbial horns and has tackled this year's proposition with a vengeance. New lights are being installed at the box in the athletic grounds, which was fenced by the city this spring. The expenditure on lights alone runs around \$300.

Bleachers to hold 600 persons are in process of construction now and will provide nominal crowds with a splendid view of the entire game. Extra wire has been strung around the box to keep the ball in play and protect the spectators.

The team has been provided with new sticks and orders have been placed for enough uniforms to outfit the team at the start. The play-

ers are assisting the executive by paying for as much equipment as they can afford.

The interior lacrosse league only had three teams last year, Vernon, Salmon Arm and Kamloops. This year, Lumby, Armstrong and Kelowna have been added to the league, and two home and two away games are to be played by every team in the schedule. Kelowna plays at Vernon on Friday evening next, May 17, and the first home game here is on Tuesday, May 21, against Kamloops.

As many players as are required may be registered by each club, but only fourteen players can be stripped for any one game. Forty-eight hours' notice must be given for the registration of any individual players. According to the B. C. Lacrosse Association rules, registered players must be resident in B.C. prior to May 1.

### Plan Parade

Elaborate plans are being laid by the local boxla executive for next Tuesday night's game. A big parade is planned and every youngster who enters this parade will be equipped with a boxla croasse obtains free admission to the feature attraction.

Mayor G. A. McKay will face off the ball to inaugurate the 1940 season here.

W. Spear is vice-president of the Kelowna Box Lacrosse Club, with Carl Tostenson, secretary, and C. M. DeMare, treasurer. Dick Stewart and Jack Treadwell are two of the executive members. Tony Novicki has been appointed trainer.

### Registered Players

Players registered with the Kelowna team to date include Tony Novicki, the indomitable goalkeeper, Jim and Carl Tostenson, Len Roth, Sonny and Les Handlen, Alec Robinson, Muckle McLennan Jr., Jim O'Brien, George Foster Mills, Albert Maxwell, Walter Hodson, Clair Atkinson, Dennis Reid, Tommy Brydon, Art Reid, Camillo Laffranco, Bill Longley, Frank Gourelle and Charlie Robertson.

It is rumored that Prexy Dick Parkinson and Vice-Presy Bill

## Hot Stove League Delves Into Past and Reveals Lacrosse Glory

Old-time Players and Fans Tell of Names and Games in Kelowna's Boisterous Lacrosse League—Boisterous Lacrosse About 1900

It was just like a hot stove league on Monday afternoon just after five o'clock in George Tuttle's emporium. Gathered in a huddle were four men who could remember back to the year '01, or at least very early in this century and bring forth tales of conquest on the lacrosse field.

George Tuttle, that "argufying" sports fan for many decades back was in the thick of the fray. George Kennedy, who played lacrosse before war, was heard from, was declaring to all and sundry that he wasn't the hardest-checking player in the league, well, not quite. Bill Spear, whose portly frame lies in Kelowna, was bringing forth well-known names and Alwyn Weddell was poring through records and statistics to show the interest which was taken in lacrosse by the national game really turned them out.

Then, of course, there was The Courier reporter, who was busy with pencil and paper trying to capture some of those old memories.

### Famous Names

George Kennedy led with his chin with stories of lacrosse back before any league was organized. It seems that the first league, consisting of Armstrong, Vernon and Kelowna, was started in 1910. But they played lacrosse many years before that and such names as Dr. Billy Knox, Frank Fraser, Jim Bowes and Leon Gillard were mentioned prominently.

"In 1910, the first year of organized lacrosse, we never lost a game," George Kennedy was heard to remark with a proud tilt to his chin. He could even tell you the names of the famous Kelowna team of that year and his version included the following: Jack McMillan, Colin McMillan and Angus McMillan, Tom MacQueen, captain, Harold Newby, Gladie Fuller, Harold Glenn, Bill Pettigrew, O. B. Holden, Joe Carey, Len Pettigrew and George Kennedy, himself.

Bill Spear started to play the game in 1912, while Al Weddell became interested in junior lacrosse about 1911 and then, as he grew a couple of inches, played intermediate lacrosse from 1913 to 1916. Some of the juniors and intermediates whom he mentioned as prominent players were Max Copeland, Dan McMillan and Graham Kincaid. The fire brigade started the junior league and presented the winning city league team with medals that first year.

First lacrosse games were played in the city park, opposite the present Simpson's office, on Ross's Field and on Boyce's Field, where the C. N. freight sheds now stand.

Other younger players who were recalled included Bud Weddell, Charley Shayer, Ernie Hey and Frank Carlisle.

From 1914 to '18 senior lacrosse languished, due to the World War struggle, but in 1919 it was revived and members of the triumphant Kelowna team of that day were recounted as follows: Charlie and Hubert Shillingford, Angus McMillan, Vic Dellart, Frank Roman, Graham Kincaid, Muckle McLennan, Harry Wilson, Bernard Raymer, Bill Spear, Lloyd Day, Scotty Nell, Johnny Urquhart, Al Weddell and Fred Fowler. Ian MacRae was manager and Claire Malbec was trainer. Kelowna's last victorious team, as far as these old-timers could remember, was the 1924 squad, which captured the George Rowell Cup.

This huge trophy is being displayed this week in one of the Kelowna storefronts. It may be put back into circulation in the present league, as the trustees, A. J. Weddell, G. A. Tuttle and Bob Morrison, are considering such a step now. It was presented as emblematic of the Okanagan championship.

There were two other cups, the Shaw Cup for the interior championship and the Lawson Cup for the Okanagan championship. However, there was some dispute among other teams concerning the latter cup so the late George Rowell donated his wonderful trophy.

"We Were Robbed"

From 1924 on, the game languished here until, in 1933, it petered out entirely. In the last year, 1933, Kelowna and Salmon Arm were playing in Kelowna. A dispute arose over refereeing and the Kelowna team started to walk off the field to consider its plan of action. Salmon Arm, once Kelowna was off, made a bee-line for their own town and went home, claiming they had won the game as Kelowna walked off first.

That claim was upheld by the league officials and Vernon and Salmon Arm were placed in the final playoffs, leaving Kelowna out in the cold. There has been no lacrosse played in this city since.

Coming down to modern times, the Gyro Club made an attempt to introduce boxla to Kelowna when the North Shore Indians and Home Gas were brought here for an exhibition game in 1935. Despite every effort, however, the game was not really started until last year, when a junior team played Vernon and Armstrong.

The big step is being made this year by purchasing of lights for the box and erecting bleachers. Thus, night games are made possible and teams may travel here without difficulty.

Big Cash Turn-Over

Just as a closing gesture, Al Weddell produced a cash book of the old Kelowna Amateur Athletic Club showing that in 1923 baseball, lacrosse and football turned over nearly \$3,000 in receipts. The Club had an agreement in those days that the city would obtain one-third of the gate receipts for park improvement purposes and the city obtained over \$500 that year.

Starting of the athletic grounds in the city park may be laid partly at the door of this group of sports-minded citizens who organized the athletic association to combine various sports activities under one head.

In one game, on August 2, 1922, the lacrosse group took in \$527.25 at the gate, playing against Armstrong. The following year, in 1923, on May 24, the gate receipts amounted to \$541.25 and the city obtained \$180.

**Westbank Chamber of Commerce  
Suggests Annual Sports Day**Hard Surfacing in District to  
be Completed Soon Says De-  
partment of Public WorksAccording to notification received  
by the Westbank Chamber of Com-  
merce, the highway surfacing at  
Westbank will be completed shortly.  
Sidewalks for the sidewalks in the  
community, and on the highway  
through the settlement, have also  
been asked for by the Chamber of  
Commerce.This organization has also been  
active in endeavoring to obtain an  
agent and warehouse to take care of  
L. C. L. shipments of incoming and  
outgoing freight. This is badly need-  
ed, as petty thieving has occurred  
on several occasions, and in the case  
of C.N. shipments, there is no way  
of making these locally. In response  
to their inquiries and requests for  
such service, a communication has  
been received stating that A. A.  
Sage, District Inspector of the Board  
of Transport Commission, will be in  
Westbank to look into this matter of  
an agent for both railway com-  
panies. J. U. Gellatly and T. B.  
Reece were appointed to meet Mr.  
LeSage on his arrival here.An annual sports day for the dis-  
trict has been suggested by a mem-  
ber of the Chamber of Commerce,  
who stated that something of this  
kind should be arranged. The propo-  
sal met with the approval of the  
meeting, and T. B. Reece and A. R.  
Hoskins were appointed a committee  
to make arrangements. This com-  
mittee plan to see the executive of  
Westbank Women's Institute at an  
early date in order that the two or-  
ganizations may agree on various  
details, and go further into the sub-  
ject.The attendance was small at this  
meeting, and the suggestion that re-  
gular meetings be suspended until  
further notice, as was done last year  
during the busiest months, met with  
favor. Consequently, the committee  
will deal with all matters, and when  
necessary, call a meeting of the  
members. C. Butt presided at this  
meeting in the absence of the pre-  
sident, W. Ingram.Mr. and Mrs. J. T. Garraway,  
whose marriage at Regina recently  
has of interest both here and in  
Peachland, have taken up their resi-  
dence in Westbank, and on Tuesday  
evening were surprised by a host of  
friends who arranged a charivari on  
that night, to give the young couple  
a noisy welcome to their midst. The  
crowd was invited indoors, where  
refreshments were served, and a  
pleasant social time ensued; the  
bride meeting many of her new  
neighbors for the first time.Rev. and Mrs. W. E. Dovey, of  
Westbank United Church, left by  
car on Monday, May 13, for Vancou-  
ver, where they will attend the Uni-  
ted Church Conference being held  
there during this week and part of**LOOK OUT FOR  
YOUR LIVER**It may be the cause of your troubles.  
Buck it up the right way, with  
Fruit-a-tives. Feel grand.Your liver is the largest organ in your body  
and most important to your health. It pours out  
bile to digest food, gets rid of waste, stores  
energy, allows the proper nourishment to reach  
your blood. When your liver gets out of order  
food decomposes in your intestines. You be-  
come constipated, stomach and kidneys can't  
work properly. You feel "rotten"—headaches,  
bad back, dizziness, drag out all the time.  
Rid yourself of these miseries, as thousands  
have—with Fruit-a-tives, for 35 years Canada's  
largest selling liver remedy. Fruit-a-tives  
stimulate your liver, bring prompt relief—make  
you feel like a new person. Get Fruit-a-tives  
at your druggist's today, 25c, 50c.**FRUIT-A-TIVES** The Liver  
Tabletnext. They were accompanied to  
Vancouver by Mrs. J. L. Dobbins and  
Dobbin's daughter, and also by the  
Westbank United Church delegate  
to the Conference, J. W. Hannam.John Hussey, who has been visit-  
ing at his parents' home at West-  
bank during the past two weeks, left  
on Sunday for Vancouver by car,  
accompanied by Mrs. Stewart and  
daughter, of Vancouver, who have  
been staying at the home of Mr. and  
Mrs. R. Runnars.Mrs. Dave Gellatly entertained at  
tea on Thursday, May 8, in honor of  
Mrs. H. Mounce, of Port Coquitlam,  
who is spending several weeks with  
her parents, Mr. and Mrs. I. L. How-  
lett. Guests included among others,  
former school fellows of Mrs.  
Mounce, who attended public and  
high school here.Mrs. E. Barclay, of Okanagan  
Falls, and her sister, Miss Margaret  
Rolke, who has been in Penticton  
recently, are spending a couple of  
weeks in Westbank, guests at the  
home of their parents, Mr. and Mrs.  
M. Rolke.A special Mother's Day service  
was held on Sunday morning in  
Westbank United Church, with  
members of the congregation taking  
part in the service of reading and  
song. Sacred numbers were also  
rendered by members of the choir,  
these being a solo by Miss Olive  
Dobbins, "My Mother's Love," and a  
duet, "My Mother's Prayer" by Rev.  
and Mrs. Dovey. Miss Audrey Gel-  
latly was the organist throughout  
the service. The choir looked par-  
ticularly pleasing in their new  
gowns, black, with white collars,  
which various organizations of the  
church have worked hard to get.Mr. and Mrs. E. O. Hewlett, of  
Westbank, have had as their guest  
during the past two weeks, Mrs. W.  
Coburn, of North Lansdale, Vancou-  
ver. Mrs. Coburn's son, Gerald, is  
living in Westbank at present.**FIRST MARRIAGE  
IN WESTBANK  
UNITED CHURCH**Miss Velma Currie, Westbank,  
United to Mr. Eric Loken,  
Kelowna, in Ceremony of  
Wide-spread InterestThe first marriage to be solemniz-  
ed in the Westbank United Church  
was performed by Rev. W. E. G.  
Dovey, on Sunday, May 12. Mother's  
Day, when Miss Velma Currie, only  
daughter of Mrs. Currie and the late  
Mr. J. B. Currie, of Westbank, was  
united in marriage to Mr. Eric  
Loken, of Kelowna.The bride, whose aimness was set  
off by white satin floor-length  
gown, with the traditional veil and  
orange blossoms, entered the church  
on the arm of her brother, Vincent  
Currie. She carried a shower bou-  
quet of carnations, orchids and  
maidenhair fern, with long stream-  
ers of pink tulle.The bridesmaid, Miss Margaret  
Rolke, an old friend of the bride,  
was changing in a long dress of  
Queen's blue net over silk, trimmed  
with tiny blue bows, and having  
short sleeves. Miss Rolke carried a  
bouquet of mixed flowers in soft  
rose and pink shades, and fern. The  
best man was John Peterson, of Ke-  
lowna.The church was beautifully decorat-  
ed with white lilies, tulips and  
other spring blossoms, and across  
front of the church, where the  
bride and groom stood, was an arch  
of streamers in pastel shades, festo-  
oned with flowers. Mrs. J. L. Dob-  
bin played Lohengrin's wedding  
march as the bride came up the  
aisle of the church, after which the  
choir sang "O Perfect Love."Following the ceremony, Mrs. W.  
E. Dovey presented the bride and  
groom with a handsome Bible, on  
behalf of the pastor, the congrega-  
tion and herself, this being the cus-  
tom on the occasion of the first wed-  
ding in a new church.During the signing of the registry,  
Gordon Hodges, of Kelowna, sang  
"I Love You Truly." The guests  
then took their way to the home of  
the bride's mother, Mrs. J. B. Currie,  
where a reception was held, after  
which the happy couple left by car  
for a short honeymoon, travelling  
south.Out-of-town guests included a  
number from Salmon Arm, Beaver-  
dell and as far south as Okanagan  
Falls, with a large number from  
Kelowna and Westbank, some seven-  
ty-five in all, though about one hun-  
dred and fifty witnessed the cere-  
mony in the church. Mr. and Mrs.  
Loken have the good wishes for  
their future happiness of a large  
circle of the bride's friends here,  
where she has lived since she was a  
small girl. Miss Currie's wedding  
day was also her mother's birthday.

ADVANTAGES OF  
UNION LIBRARY**O. L. Jones and Phil Kitley At-  
tend Meeting of Farmers'  
Institute and Advocate Con-  
tinuance of Library PlanOn Wednesday of last week the  
Winfield Farmers Institute members  
and those interested in the library  
met at the community hall to dis-  
cuss the library situation, owing to  
a petition having been presented  
asking for a vote on whether or not  
to continue the library. Mr. O. L.  
Jones was in attendance as was also  
Mr. Phil Kitley, of the Kelowna  
teaching staff.Mr. Jones spoke at some length  
on the difficulties which had been  
met and overcome in getting this  
organization going on an efficient  
basis. Starting without funds and  
with the necessity of building and  
obtaining a truck had made it very  
difficult. Few books had been ob-  
tainable at first and had caused dis-  
satisfaction. As time was now re-  
quired to a great extent he thought  
Winfield would be unwise, indeed,  
to throw up the idea.Mr. Kitley spoke of the advantage  
of having the library for the use of  
the school children, stating that  
many books of value to them could  
be obtained from the library and  
expressing the opinion that without  
it Winfield might find itself faced  
with the necessity of obtaining  
books of like nature through the  
school or otherwise.Discussion also arose with regard  
to mosquito control. It was thought  
by some that there was a lack of  
interest in this matter and it might  
as well be abandoned. However,  
others thought it unwise to discon-  
tinue control and on a resolution  
being put it was the wish of a ma-  
jority that control should be con-  
tinued. A committee of five was  
appointed to canvass the district for  
funds to carry on the work.Mrs. J. H. Aberdeen was a visitor

## Boy Scouts Invested in Solemn Ceremony for 2nd Kelowna Troop

Thirteen of Twenty-five Scouts Enrolled Go Through Investiture Proceedings — Large Number Witness Scene

Last Thursday evening, at the Scout Hall, a large number of parents and friends of the boys, and others interested in the Scout movement, watched the investiture of thirteen boys, members of the newly-formed 2nd Kelowna Troop. The total number of boys enrolled in this troop is 25, all the members coming from north of Bernard Avenue. Others are on the waiting list to join, and those invested are the first to qualify by passing the Tenderfoot test.

Those boys who were invested appeared in uniform for the first time, and their keenness and efficiency were clearly apparent. W. D. Dredin, Scoutmaster, first addressed the troop, and after all Scouts had taken their promise on the flag, which made them fully-fledged Scouts, E. C. Weddell, District Commissioner, also addressed the boys and complimented them on the excellent start made by the troop.

Those invested were Mike Lesmeister, Walter Lesmeister, patrol leaders, Charlie Kaytor, Joe Kitchner, Tony Feist, Zackie Wostrowski, George Swanson, Jack Welder, Joe Schneider, Tommy Feist, Walter Yochim, August Clacine and Dick Roth.

Those boys are now making plans for a summer camp at Cedar Creek. Among those who have made generous contributions to this new troop and aided in its formation are the Kelowna Rotary Club and Canadian Legion, states Mr. Dredin.

## LARGE CREWS TURN OUT ON VOLUNTEER ROAD

Two Miles of Road Now Widened and Surfaced so That Modern Cars Can Negotiate Without Trouble

Increased interest has been apparent for the last couple of weeks on the Kelowna-Naramata road. On May 5th a fine crew of Technocrats turned out thirty strong and did a real good day's work. It was the first turnout of this organization and they thoroughly enjoyed their day and announced their intention of turning out again later in the season. On May 12th, crews from the Junior Board of Trade and the Sons of England made up a party of thirty-five. The Junior Board was very active at the start of the enterprise and have never failed to turn out at least once each year since. There is a report that the newly-formed Junior Chamber of Commerce, of Penticton, is to make the Naramata Road one of its objectives.

The Sons of England group has also been one of the best crews working on the road and they go out determined to enjoy themselves and brighten up the day for everyone else. Bert Gibb is a wonderful organizer and leader. Late in the afternoon, when the kinks in his back became increasingly hard to straighten out, he jumped in the light delivery and took some of his party right out to the end of construction at Horse Creek. He reported the road in good order but admitted there is quite a contrast between the couple of miles which have been surfaced and fixed up this year and the remainder which is still just get-by road.

Since the beginning of the season the road has been widened, built up and surfaced from Goldsmiths to Witt Well, a distance of nearly two miles. It is a lovely road, wide through, with frequent passing and turning places. There is a good surface, thought it would be improved with lots of rain and the grader over it. The latest and best low hung cars go over this two miles with confidence and without fear of scratching fenders. Travelling has been speeded up from about five miles per hour to fifteen to twenty.

Building up the outside edge with rocks and loading and spreading gravel is quite slow work and calls for big crews. The last two weeks' notable progress was made in the widening of the road and it is hoped to push through the improvement work as far as Deep Creek before the hot weather comes. A mechanical digger is under construction and should be ready shortly. This will greatly speed up the loading of the trucks.

Owing to other large crews turning out, the Legion postponed its appearance until May 26th and next week it is hoped to have crews from the Elks and the Oddfellows and possibly some others. Promises of two teams and a bull-dozer have been received for work in a few weeks' time and the earth banks are being left for them to widen out and to level out the odd hill and hollow.

It is disappointing not to be able to report more forward progress, says H. V. Craig, but the present policy of improving the existing road is meeting with general approval. All sorts of people are enjoying this road who have never rendered any assistance in building it.

## D. PETTIGREW AGAIN CHOSEN SWIM CLUB HEAD

Alice Thomson is New Secretary While Roy Longley is Chosen as Coach of Ogoogo Swim Club

The first annual meeting of the Ogoogo Amateur Swimming Club was held last Friday, May 10th, in the Aquatic lounge, at which Don Poole, former member of the club, was the choice of the members as honorary president. Dexter Pettigrew was re-elected as president and Alice Thomson was the selection for secretary.

The office of treasurer is to be left until the safeguards at the Aquatic are announced. Dorothy Andison will represent the O.A.S.C. on the Women's Auxiliary and will be on the committee of the Swimming Club. Other members of the committee are Dorothy Smith, Donald Deans and Lloyd Taggart.

Roy Longley, who with Don Poole, was the founder of the club, was the unanimous choice of the club as coach. He has the right to choose assistant captains for travelling teams.

The retiring secretary-treasurer, Lloyd Taggart, read his report of the past year, describing a full season of activity and success. The financial report showed the club to be sound financially, with a good bank balance to start the coming season.

For the meeting the Aquatic lounge was filled to capacity and the meeting was quite enthusiastic with a large amount of business being got out.

Thanks were also voiced to the president and vice-president of the Aquatic Club, Jack Treadgold and Len Leathley, for their attendance and interest in the Ogoogo Swimming Club. Jack Treadgold replied to this, stating he was glad to see such a strongly organized swim club, and that swimming is, after all, the foundation of the regatta.

## LETTERS TO THE EDITOR

TO MEMBERS OF 47TH BATTN.

Kelowna, May 11, 1940

Editor, Kelowna Courier.  
Would you advise the members of the 47th Batta., C.E.F., that their old colonel, Colonel R. H. Webb, D.S.O., M.C., may be in Vernon around the 18th to 20th of May, and he hopes to be able to come down to Kelowna for a day or part of a day. Since there are a number of members of the 47th Batta., who had the honour of serving under Colonel Webb, in this district, they will undoubtedly wish to meet him, and, if they would be good enough to let me know through my office how they can be got in touch with, I shall be very glad to make the necessary arrangements for them to meet him. I also feel that members of the 47th Batta. will be glad to know that Colonel Webb and myself had the very great privilege of speaking to the officers for the 47th Batta. at New Westminster, and Colonel Webb also inspected the regiment.

I feel that the splendid traditions of the 47th will be upheld and enhanced by the officers and men who now form the nucleus of the present regiment.

Yours faithfully,  
O. ST. P. AITKENS, M.C.

EXPLAINS MINESWEEPERS FUND

Box 405, Kelowna, B.C.

Editor, Kelowna Courier.

Perhaps it would be as well to publish a few authorized facts about the Okanagan Valley Minesweepers Fund. The start was made in Vernon with the idea of spreading up and down the valley. I was asked to begin a branch in Kelowna—it was to be self-supporting. Friends rallied around and the growth was such that funds became a problem. It was suggested that the War Activities Committee be approached and after the "Fund" was registered at Ottawa, this step was taken. The letter I received in reply stated no fixed sum (although the local papers mentioned fifty dollars as the allocation), but agreed to a grant if certain necessary questions could be answered satisfactorily. Fifty dollars not being enough to meet the liabilities, an appeal to the public was made, with the following response—our thanks and acknowledgement is made to—

Anonymous donations, \$30.00, \$5.00, \$5.00, \$2.00, \$1.00; J. A., \$2.00; Mrs. L., \$1.00; M. A., \$1.00.

The War Activities Committee asked me to meet them on May 6th and suggested that a committee be formed to represent the Minesweepers Fund—it being better to have an organization under a committee rather than an individual—a self-evident fact. At this meeting the grant to be made was voted at \$100 pro tem—further grants to be considered upon application. It is readily understandable that no committee charged with the care of public funds could hand out cash grants to all and sundry applications without first making sure that such applications were bona fide and in order. The following ladies have agreed to form the required committee: Mrs. C. E. Davis, Mrs. R. Stirling, Mrs. A. D. Marshall, Miss M. L.

Bent, Miss R. Marie, registered representative of the O.K. V. M. F. at Ottawa.  
Thanking you,  
Yours faithfully,  
RHODA MARLE.

## DISCARD DECORATIONS

During the period of the war of efforts of the non-mobilized units of the non-permanent Active Militia will discontinue the wearing of medals, decorations and orders, but ribbons will continue to be worn with service or battle dress.

Russia is reported to have lost from 200,000 to 300,000 men in the war against Finland. To the Kremlin, however, human life is the cheapest of all commodities.

## Hither and Yon

Miss Joyce Haverfield is a visitor in Trail this week.

Miss Mary Stubbs and Miss Eileen Tomlin, of Summerland, left on Saturday to spend a holiday on Vancouver Island.

Mr. and Mrs. W. T. L. Roadhouse and Mr. and Mrs. H. P. MacLean left on Monday morning on a motor trip to the Kootenays.

Mr. and Mrs. Bob Williams left last week on a holiday to be spent in Toronto.

Miss M. Parslow entertained at two tables of bridge on Saturday evening at the Willow Inn.

Mrs. W. Johnston, of Vernon, is the guest of her sister-in-law, Mrs. A. H. DeMara this week.

Mrs. E. Batt left on Saturday on an extended holiday to be spent in Vancouver and California.

Mr. and Mrs. Hume Lethbridge, of Nelson, were visitors in Kelowna over the week-end.

Miss Mary Brydon received word on Wednesday that she has graduated with second class honors from the training school at the Royal Jubilee Hospital in Victoria.

Miss Brydon returned home recently after completing her nurse's course.

Mrs. C. D. Brown, Leslie Dillworth and Rev. Dr. W. W. McPherson have gone to Vancouver to attend the annual provincial conference of the United Church of Canada, at St. John's Church, Vancouver, from May 15 to May 20. They have been appointed the official delegates of the First United Church, Kelowna.

Jolley-Bett

Of widespread interest here is the announcement from Dundee, Scotland, of the marriage, on Thursday, April 25, of Lieut. Commandant Alan Jolley, R.N., of Dundee, to Miss Margaret Jolley, formerly residing in Kelowna.

A wedding of local interest took place in Vancouver on Saturday afternoon, May 4th, at 2:30 o'clock, when Bessie Kathleen Marsden, younger daughter of Mr. and Mrs. C. B. McCallum, 1906 Haro Street, Vancouver, became the bride of Mr. A. Murray Inch, youngest son of Mrs. Jacqueline L. Inch and the late Adam Inch, of Hamilton, Ontario. The ceremony was performed at the home of the bride's brother, Mr. J. B. McCallum, by Rev. H. Lennox.

Mr. and Mrs. Paul Hayes returned last week from Vancouver.

Miss Jennie Anderson was a week-end visitor in Vernon.

Miss Norvena Irwin spent the week-end in Vernon.

Mr. and Mrs. J. N. Rowan, of Calgary, spent the week-end in Kelowna en route to Vancouver Island.

Miss Helen Edwards left on Sunday to spend a holiday at the Coast.

Miss Audrey MacLeod spent the week-end in Vernon.

Mrs. O. J. Quenel (nee Gertrude Chapin) of Wells, B.C., is visiting her parents, Mr. and Mrs. H. F. Chapin, for several weeks.

A meeting of the model committee for the Ladies Aquatic Auxiliary annual Fashion Show and tea, to be held on June 6, was held on Monday evening at the home of Mrs. W. W. Wilson, Park Ave., on Abbott Street. This year, all new models will be featured, and Miss Gwen Butt, who took a course in modelling in London, England, will train the mannequins.

Dr. and Mrs. W. J. Knox have returned from a short holiday, spent in Vancouver.

Miss Ruth Graham, of Winnipeg, was a week-end visitor in Kelowna en route to her home from Vancouver.

From Ottawa comes the announcement of the marriage, at Parkdale United Church, of Merrill Edna, daughter of Mrs. Alice E. Devey, of Ottawa, and Corp. Oliver Dendy, R.C.A.F., on Friday, May 10. Mr. Dendy is a younger son of Mrs. M. Dendy, Park Ave., Kelowna. He joined the Royal Air Force in May, 1937.

The Sutherland Avenue Circle of the First United Church held a very successful tea on Friday afternoon, May 10th, at the home of Mrs. Dick Johnston on Christleton Avenue. Mrs. W. E. Thompson, convener of the circle, received the guests with Mrs. Johnston. Presiding at the lace-covered tea table, centred with a lovely floral arrangement of polyanthus, were Mrs. Simpson Sr. and Mrs. J. D. Young. The servitors included Mrs. S. Dooley, Mrs. T. Black, Mrs. R. Bowes, Mrs. Rawlings and Miss Norma Simpson. Mrs. J. Campbell was in charge of the kitchen.

M. Cohan, of Ottawa, is a guest of the Royal Anne hotel this week.

R. N. Mason, of Winnipeg, was a visitor in Kelowna last Friday.

G. H. Dunn, Kelowna City Clerk, is a visitor this week to Victoria, where he is attending the annual conference of municipal officials.

D. Chapman was a visitor to the coast during the past week.

W. I. Betts, of Penticton, was a visitor in Kelowna this week.

"Brownie" Brown, of Trail, is spending a two weeks' holiday in Kelowna.

J. Chapman and Bob Harwood, of Penticton, were visitors in Kelowna on Tuesday.

W. A. Silcock, of Vancouver, was a visitor in town this week, a guest of the Royal Anne hotel.

Guests registered at the Royal Anne hotel this week include: P. E. French, Vernon; Mr. and Mrs. H. McKay, Vernon; M. Fargeon, Montreal; Mr. and Mrs. E. G. Kingston, Vancouver; E. Bergman, Berkeley, Cal.; Mr. and Mrs. G. W. Tierney, Vancouver; W. K. McDonald, Revelstoke; A. Jackson, Hollywood; Mr. and Mrs. D. S. McLeod, Vancouver; E. L. Morley, Vancouver; J. Gensler, Winnipeg; Mr. and Mrs. J. D. McMynn, Vancouver; A. McCallum, Winnipeg; Mr. and Mrs. A. Barnes, Yakima; M. Cohan, Ottawa; Miss M. Hudson, Vancouver; Mrs. George Melrose, Victoria; and Mrs. A. B. Raymond, Yakima.

Guests registered at the Willow Inn this week include: Mr. and Mrs. Charles Winslow, North Vancouver; Mr. and Mrs. E. S. Reynolds, Grand Forks; J. R. Gould, Vancouver; Stanley, Oster, Oliver; A. M. Oliver, Mr. and Mrs. A. E. Garland, Vancouver; R. E. Slinger, Toronto; Gordon Clark, Calgary; W. Alexander, Vancouver; Mrs. G. A. Pease, Killiney; W. S. Gordon, Vancouver; V. K. Rutherford, Vancouver; C. F. Russell, Penticton; Mr. and Mrs. G. P. McLaughlin, Vancouver; Mr. and Mrs. Roy Lipsett, Vancouver; Mr. and Mrs. McKenzie, Grand Forks.

George N. Kennedy, president of the North Okanagan zone of the Canadian Legion, will leave on Saturday for Montreal to attend the annual convention of the Dominion Command of the Canadian Legion as the official delegate.

## ROMANCE OF PLANT LIFE IS TOLD AT OYAMA

Mr. Hornby, of Summerland Experimental Station, Speaks to Oyama Women's Institute on Interesting Subject

The Oyama Women's Institute held a successful plant and seed sale at the Community Hall on May 9. A most interesting talk was delivered by Mr. Hornby, of the Summerland Experimental Station, on the subject of "The Romance of Plant Life," which mainly consisted of his enumerating many interesting facts discovered by botanists but unknown to the general public.

Mr. Hornby first showed the dependency of humanity on plants, since the latter use the carbon dioxide exhaled by human beings and produce the oxygen so vitally necessary to keep us alive. Fossils of a plant which lived 250,000,000 years ago, or even earlier, have been discovered. This plant was the progenitor of the plants which exist today.

As an example of how plants adapt themselves to conditions and necessities, Mr. Hornby cited the rhubarb, which requires a large amount of water. When it rains, the water runs down its broad leaves to the centre of its roots.

He then proceeded to deal with the plants found in this province, and pointed out the uses of medicinal purposes. British Columbia is the only part of the British Empire in which Cascara Sagrada, a very important medicinal plant, is found.

Mr. Hornby discussed some of the plants common to the surrounding hills, and he stated many interesting facts concerning them. He told of the blue flower which is gathered by the Indians because its bulb is good to eat, and beside which grows a yellow flower whose bulb is a deadly poison. With several similar stories, Mr. Hornby closed his much enjoyed address.

Previously, the Oyama school choir had sung "The Hiking Song" and "The Sky Boat Song." Kathleen Taylor sang "Will You Remember" and Gertrude Tucker sang "The Chinese Refrain."

The hostesses of the afternoon were Mrs. L. Norman and Mrs. Rea, assisted by Mrs. Allingham and Madge Tucker. Mrs. Blinn, in charge of the sale of plants and seeds, Mrs. Thomas A. Tait and Mrs. K. E. Whipple sold home cooking and fancy work respectively.

The Oyama Public School sent several entries to the Rural Schools Track Meet, held in Kelowna on May 10, and a total of 41 points. The only two firsts were obtained by Frank Allingham in the 10 yards, 16 and under, and by Alfred Gatsky, in the boys race 7 and under.

The P.F.O.E. Cup was won by Frank. The High School entered less competitors than usual. Bill Taylor won the broad jump, 16 and under. Jim Taylor ran second in the 100 yds. and 200 yds. races. The boys' relay, 20 and under, composed of Jim Taylor, Bill Taylor, Bill Lovgren and Art Ziprick, was second. Art Ziprick came third in the 220 yds. 20 and under.

J. F. Stephen went to Yakima, Washington, on Sunday, May 5, and returned to Oyama on the following Wednesday.

P. R. B. Pottery of the P.P.C.L.I. was transferred last week from Victoria to Winnipeg.

Pete Peter Elliott, also of the P.P.C.L.I., returned to Winnipeg on May 2 after a leave of two weeks to be held in the Winfield Community Hall.

Following the business meeting, during which money was voted for the usual prizes for the school children's garden competition, the annual sale of home products was held. Mrs. Nuysens was convener of the sale and, with the help of Mrs. Harrop, concluded a successful business.

Tea was served by Mrs. Ross and Mrs. Thompson.

Proceeds of the afternoon reached nearly twenty dollars, the raffish of a beautiful rug made by the Misses Speltz bringing \$50.00. This was won by Mrs. Carter. Mrs. Bernau won a handsome table dolly donated by Mrs. H. H. Evans, of Vernon.

Plans were made for a garden party in June.

Mr. and Mrs. Dawson have for their guests the former's sisters of Winnipeg, Miss Dawson and Mrs. Tetler. While the latter is visiting here Miss Dawson will make a business trip to Vancouver.

Miss Doris Gled is at home for the long vacation from the University of Manitoba, where she is taking a course at the College of Domestic Science. Next year will be her senior year, the course having been extended to five years since she entered.

Rev. Rowland left by C.P.R. on Monday afternoon for Vancouver, where he will attend the annual B.C. Because of his absence, there will be no service next Sunday at St. Paul's.

The child born on the Mayflower during its epic voyage to America was named Peregrine White.

## PEACHLAND COUNCIL

From Page 3, Column 4  
though many are trying hard. Keep up the good work. This letter was signed by Mrs. I. A. Harrison, Chairman of the Provincial Work Committee.

**Dam Height Rises**  
On May 11th there were eight feet 10 inches of water in the North Fork dam, while on May 10th, 1936, there were only four feet six inches, according to L. B. Fuls, Water Trustee of the Peachland Irrigation District. Twenty acre feet a day are running into the dam through the diversion ditch which is running to capacity.

**Plan Sports Day**  
The Peachland Community Club met on the 10th of May, G. Harrison, president of the organization, on Tuesday evening and plans were made for the May 24th sports day. A variety of sports events is planned for the day with convener chosen for the different committees. The central committee, with E. H. Bowring as Chairman and F. Mills as Secretary, included Miss L. Morsh, Miss S. Weston and G. Harrison, with softball, baseball, mayspe, dance and a dance to round out the day's events. Other committee convener were as follows: Sports, A. F. MacDonald; Advertising, Miss S. Weston; May-pole, Miss L. Morsh; Canteen, J. McLaren; Afternoon Tea, Mrs. W. D. Miller; Pre-dance, G. Harrison; Dance, F. Mills; Hot Dog Stand, T. McIsaac; Softball, Dorothy Miller; Baseball, G. Elkins; Announcer, F. MacIsaac.

Half of the net proceeds will go to the V.O.N. and the other half to the purchase of a projection outfit. It was decided to give a donation to the Athletic Association for the use of the hall, its amount depending on the takings for the day. Questioned regarding the \$57 raised for the school library fund on February 29th, Secretary A. F. MacDonald stated that this amount had been placed in a trust fund and would be spent by the teachers of the school staff in the fall for books.

Tony Coldham took his place as the new member of the Executive of the Athletic Association at its meeting held on Thursday evening, May 2. He was appointed to this position to take the place of W. Earl, who has joined up for service with the Seafarers.

Miss Honor Vincent and Miss Sheila McKay were both successful in passing their exams at the University of B.C. Miss Vincent graduated with second class honors to take her B.A. degree while Miss McKay passed her second year in Arts. Mr. and Mrs. Vincent, Mr. A. McKay and Miss Sheila McKay motored to Vancouver for the graduation ceremonies, and were accompanied on their return home by Miss Honor Vincent.

Mrs. H. E. Trimble was hostess to the W.A. of the United Church at their regular meeting on May 8 which was held at her home.

Mrs. C. T. Redstone entertained the board of the Peachland-Westbank branch of the V.O.N. held at her home on Wednesday evening, May 8.

Mr. and Mrs. O. Williamson and Frank Gillam returned Friday evening after a motor trip to Spokane.

W. Sanderson, Jr. returned on Monday from a trip to Vancouver.

Archie Miller returned from a motor trip to Vancouver on Saturday, May 11, and left the next day for Hedley, where he will be employed for the next six weeks.

Mrs. Bert Higgs with her two children is a guest of her parents, Mr. and Mrs. J. Miller, Deep Creek.

Mrs. E. Lang and Miss Gwen Lang, of Vancouver, are visitors at the home of Mr. and Mrs. Grant Lang.

Miss Geneva Bain returned from a trip to Vancouver on Saturday.

## OPENING DAY AT TENNIS CLUB

Opening Day at the Kelowna  
Lawn Tennis Club has been set for  
Sunday, May 19. District clubs are  
being invited to join with the Ke-  
lowna members for this day's play,  
although there is no competition  
between players. East Kelowna and  
Rutland tennis clubs and France's  
Club have been invited. On Sunday,  
May 20, the tennis club intends to  
stage another American tournament.

A small band of young athletes  
from the Mission Creek school cap-  
tured the elementary school track  
meet held at the Kelowna City  
Park athletic grounds on Friday  
last, May 10. With a handicap of  
25 points, this school team scored 43 points  
to give a grand total of 69 markers,  
more than sufficient to offset the  
score of 50 points set up by the  
much larger Rutland school, but  
only just missing out the Winfield  
School which has the higher handi-  
cap of 35.

In the high school division,  
Rutland was definitely superior,  
yielding two first places to Oyama  
in the 100 and 200 yard races.

Rutland starts at zero in the public  
school class and all other schools  
are given additional markers in order  
to even up the competition some-  
what. Schools competing were East  
Kelowna (35), Mission Creek (35),  
Oyama (35), Rutland (0), South Ke-  
lowna (45), Westbank (25), Win-  
field (35), Mt. Boucherie (45), Joe  
Rich (45) and Benvoulin (35).

Final results of the day's meet  
gave Mission Creek first with 68  
points, Winfield second with 66  
points and South Kelowna third  
with 59 points.

Although scoring only six points  
in actual competition, Mt. Bouch-  
erie was next in line with 51, close-  
ly followed by Rutland with 40, Ok-  
anagan Mission with 37, Joe Rich 45  
and Rutland 44. All of Rutland's  
points were scored in actual com-  
petition. Then followed Oyama  
with 41, Benvoulin with 35, West-  
bank with 32 and East Kelowna  
with 28 points.

In the high school division, Rut-  
land scored 57 points, while Oyama  
gathered in 14 and Westbank three.

One of the outstanding events of  
the day was recorded when John  
Burke, of South Kelowna, shattered  
the rural schools record for the high  
jump, boys 14 and under, with a  
jump of 4 feet 11 inches. His jump-  
ing should stand out against any  
Valley competition and his instruc-  
tor is confident he will repeat his  
victory at the Okanagan Valley  
schools track meet to be held in  
Vernon this Saturday, May 19.

Margaret Lanfranco, of Mission  
Creek, was one of the outstanding  
girl competitors, capturing two  
firsts, a second and a third for her  
school.

## BOWLING CLUB TO MANAGE NEW GREENS

Kelowna Council Makes Ar-  
rangement with Lawn Bow-  
ling Club That Any Persons May  
Use Greens in Park at Nom-  
inal Fee

The city council preferred that  
the Kelowna Lawn Bowling Club  
operate the new greens in the city  
park, provided every person was  
given a chance to play," explained  
Mr. Whillis. "This is the same sys-  
tem which has found favor in Eng-  
lish public greens for years."

Donald Whitman is the president  
of the Kelowna Lawn Bowling Club  
with A. Gibb vice-president and  
John Forrest secretary. Members  
of the committee are Tom Griffith,  
S. M. Gore, T. Treadgold, F. Joudry  
and R. Whillis.

The ladies have organized a sec-  
tion with Mrs. R. Whillis as chair-  
man and Miss T. Hopkins as sec-  
retary. The committee consists of  
Mrs. S. G. McClelland, Mrs. A.  
Gibb, Mrs. W. Lloyd-Jones and  
Miss M. Gore.

Opening day has been set for  
Thursday, May 23, when all pros-  
pective bowlers will be asked to  
attend. On June 9, the North Ok-  
anagan championships involving  
Squamish, Arvin, Vernon and Kelowna  
will be played on the new Kelowna  
greens.

The club membership fee for the  
year has been set at seven dollars,  
states R. Whillis, but persons who  
do not wish to join the club or who  
wish to only play the odd time may  
do so on payment of a twenty-five  
Winfield; 2, Rutland; 3, Mission  
Creek; time, 5.30 sec.

Field Events  
High jump, boys 14 and under—1,  
John Burke, South Kelowna; 2, A.  
Elliott, Winfield; 3, C. Walker, Mt.  
Boucherie; 4 ft. 10 ins.
